The Stewards have received a report from the FIA Technical Delegate (document No. 6.1). summoned and heard the team representative of Rally Café Racing Kft., Ákos Jobbágy (summons No.3), have considered the following matter, determine the following:

Driver and car No: Vogel Adrienn and Notheisz Ivett, Car #38

Competitor: Rally Café Racing Kft.

Time: Pre-event scrutineering

Fact: Missing of mandatory competition numbers on both rear side windows.

Offence: Breach of the 2019 FIA Regional Rally Sporting Regulations, Article 18.1 and 18.4 and Supplementary Regulations Article 6.1.

Decision: No further action.

Reason: At administrative checks the competitor received the numbers to be applied on both side windows on the competition car. By a mistake these numbers were applied to the recce car. They tried to remove them, but during this operation the numbers were damaged and unusable.

The competitor contacted by phone the Deputy CRO who himself contacted the CoC about receiving new numbers. The CoC promised to deliver these new numbers on 08. November in the morning, and to inform the Scrutineers.

The Deputy CRO said that this term was too late, and he organized new numbers that were delivered to the competitor just after the closure of pre-event scrutineering.

It is obvious to the Stewards that the competitor made all necessary efforts to get these new numbers and they decide not to take any further action.

Competitors are reminded:

of their right to appeal in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules.
